

### INTRODUCTION

LOCATED IN THE HEART OF THE STUNNING SADDLEWORTH COUNTRYSIDE IN THE CENTRE OF UPPERMILL, THE CIVIC HALL, BUILT IN 1859 AND RECENTLY RENOVATED THROUGHOUT, IS THE AREA'S NUMBER ONE EVENTS CENTRE.

It is the perfect venue for a wide range of events from wedding receptions, exercise classes, concerts, dinners, conferences, celebrations, afternoon tea dances, craft fairs, fashion shows, exhibitions, mother & baby classes and much, much more.

Set out over 3 floors, our building includes:

- The Council Chamber
- Two spacious lower halls, with a catering kitchen
- The Ballroom, including bar and serving kitchen (with dumb waiter access from the catering kitchen)
- The Chairman's Room which, with its en-suite shower room, also doubles as the Green Room for visiting artistes
- The Hudson Suite, which comprises 2 multi-function rooms and a small galley kitchen

The building is licensed for the solemnisation of marriage; wedding ceremonies for up to 90 guests can be comfortably accommodated in the Council Chamber, with larger parties being accommodated in the Ballroom, which is also the perfect backdrop for wedding photography.

There are full disabled facilities and baby changing facilities on both the ground and first floors. Disabled access to the first floor is provided via a lift from the main foyer and by an access ramp from the car park at the rear of the building. Free Wi-Fi is available throughout the building.
