**ISSUES ARISING REPORT FOR
Saddleworth Parish Council
Audit for the year ended 31 March 2017**

Introduction

The following matters have been raised to draw items to the attention of Saddleworth Parish Council. These matters came to the attention of BDO LLP during the review of the annual return for the year ended 31 March 2017. This report must be presented to a full meeting of the smaller authority for review.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Asset Register

The following issues have been raised as we have detected issues with the governance arrangements of the smaller authority. It is recommended that the smaller authority consider these matters and decide what action to take to improve the governance arrangements as soon as possible.

Asset Register

What is the issue?

The smaller authority's asset register is incomplete and does not contain some or all of the following information for each asset held;

- date acquired;
- purchase cost, and
- location held.

Why has this issue been raised?

The smaller authority is at risk of not safeguarding its assets.

What do we recommend you do?

The smaller authority must update its fixed asset register to include date acquired, purchase cost and location held of each asset held as soon as possible or in any event before the end of the current financial year.

An asset register should be in existence to help ensure that the recorded value of assets and investments is, as far as possible, accurate and to ensure the smaller authority is safeguarding its assets. The accuracy of such a register should be verified by the Internal Auditor in their annual review of the internal controls of the smaller authority.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in England - A Practitioners' Guide, NALC/SLCC Audit Briefing, Spring 2011 - BDO LLP

No other matters came to our attention.
