

SADDLEWORTH

Parish Council

18 March 2021

To members of the Estates Committee

You are hereby summoned to attend an additional meeting of the Estates Committee 29 March at 13.30 for the purpose of conducting the under mentioned business

The meeting will be held remotely.

Agenda

1. Apologies for absence
2. Declarations of interest
3. Approval of the minutes from 8 February 2021
4. **Motion proposed by Cllr. Lancaster at Full Council, February 22 2021**

Our villages have a rich history and we are privileged to have remnants and relics of that heritage, which are of significant value and importance, scattered across Saddleworth.

As such, this Parish Council pledges to, wherever possible, protect and preserve the history and heritage of the Civil Parish of Saddleworth, by resolving to:

- continue the good maintenance of those telephone boxes already under the management of the Parish Council, and to adopt those others within Saddleworth presently managed by BT
- Seek ownership of the twenty-five 1894 milestones still in situ, and to ensure their long-term condition is sound.
- Make representations to the relevant authorities to ask for the repainting, where required, of our Parish's remaining gas lamps'.

It was resolved that the motion be referred to the Estates Committee for further investigation and returned to Full Council for consideration.

To consider the above proposals for further investigation.
