None.

1877. Minutes from 1 March 2022.

Agreed as True record and signed by Cllr. Battye at the meeting

1878. Outcomes from issued raised at last meeting.

Costings for matrix. NM to action for the next meeting.

VAS- NM to send list to clerk and clerk will circulate.

Yellow Lines- will be moved and will be policed in line with parking enforcement policy.

Cycle routes: NM will send to the clerk to circulate.

Denhill Drive- A. Cowell had visited. Cannot see a problem.

Flooding at Grotton. NM had checked cleaning of gullies and due to be cleaned mid July. No other complaints from residents had been received. Could be a highways issue- camber of road to be checked.

Mildred Avenue: NM to investigate possible Access pedestrian Markings being put down. He will request investigation from Traffic Section.

1897. Community issues

Traffic Monitoring in Diggle in relation to new build school. NM confirmed that it is the responsibility of OMBC to monitor the traffic and he assured community members that it was being monitored by the traffic section.

White Line installation, Bradbury Lane. NM said he would request site visit from traffic.

Milestones: NM now has a list of where each milestone is in the borough and the majority are in Saddleworth. He proposed that as a way forward, that he look at any that would not require traffic orders etc and were sited away from the highway that there would be a possibility of restoration by the community group.

Greenfield Station- paper from R. Franklin- accepted by members for information.

JG asked about road closures. Steven Bird would be contacted to send Clerk details of closures.

Next meeting: 1 September 2022. 18.00 hrs.
